A small inset map of the world showing the location of the study area in the South China Sea, specifically off the coast of Vietnam.

187 TANKS
140 CARGO TRUCKS
293 OTHER VEHICLES/PIECES OF EQUIPMENT

This is a high-contrast, black and white aerial photograph of a large industrial or construction site. The image shows a complex network of roads, parking lots, and various industrial buildings. A prominent feature is a large, open area labeled 'VEHICLE / EQUIPMENT PARK' in white text on a dark rectangular background. In the bottom left corner, there is a small, rectangular white box with the text '1:10,000' and '1:10,000' repeated below it. The overall image has a grainy, high-contrast appearance typical of older aerial photography.
